Management and the Board of Directors
Holly Academy

We have completed our audit of the financial statements of Holly Academy as of and for the year ended June 30, 2009 and have issued our report dated September 21, 2009. We are required to communicate certain matters to you in accordance with auditing standards generally accepted in the United States of America that are related to internal control and the audit. The appendices to this letter set forth those communications as follows:

I Auditors' Communication of Significant Matters with Those Charged with Governance

We discussed these matters with various personnel in the organization during the audit. We would also be pleased to meet with you to discuss these matters at your convenience.

These communications are intended solely for the information and use of management, the Board of Directors, and others within the organization, and are not intended to be and should not be used by anyone other than those specified parties.

Very truly yours,
Yeo & Yeo, P. C.

By: 

Michael Frawley, CPA

Appendix I

Auditors' Communication of Significant Matters with Those Charged with Governance

Responsibilities under generally accepted auditing standards

As stated in our engagement letter dated May 18, 2009, we are responsible for conducting our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS) established by the Auditing Standards Board of the American Institute of Certified Public Accountants. Our responsibility, as prescribed by US GAAS, is to express an opinion about whether the financial statements prepared by management, with your oversight, are fairly presented, in all material respects. Our audit does not relieve you of your responsibilities.

Planned Scope and Timing of the Audit

We performed the audit as outlined in our discussion with you related to planning matters on June 23, 2009.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

- Management is responsible for the selection and use of appropriate accounting policies. We will advise management about their appropriateness and application. The significant accounting policies are described in (Note 1) of the financial statements. We noted no transactions entered into by the organization during the year where there is lack of authoritative guidance or consensus. There are no significant transactions that were recognized in a period other than which they occurred.
- Accounting estimates are based on management's knowledge and experience about past and current events and assumptions. Some estimates are sensitive because of their significance to the financial statements and the fact that future events affecting them may differ from those expected.
- Disclosures in the financial statements are neutral, consistent and clear. Certain disclosures are more sensitive than others due to their relevance to the users of the financial statements.

Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require that the auditor accumulate all known and likely misstatements identified during the audit, other than those the auditor believes to be trivial. The adjustments identified during the audit have been communicated to management and management has posted all adjustments.

Disagreements with Management

A disagreement with management is defined as a financial accounting, reporting or auditing matter, whether or not resolved to our satisfaction, which could be significant, individually or in the aggregate to the financial statements or the auditors' report. We had no disagreements with management during the audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated as of the date of the audit report.

Management's Consultations with Other Accountants

From time to time, management may decide to consult with other accountants about audit and accounting matters. Should this occur, professional standards require the consulting accountant to communicate with us to determine that they have all the relevant facts. To our knowledge, there were no consultations with other accountants during the year.

Significant Issues Discussed or Subject to Correspondence with Management

From time to time auditors discuss significant issues with management such as business conditions affecting the entity, business plans and strategies that may affect the risk of material misstatement and the application of accounting principles and auditing standards. The issues discussed during the audit occurred during the normal course of our professional relationship and our responses were not a condition to our retention.

Other Reports

Other information that is required to be reported to you is included in the Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards. Please read all information included in that report to ensure you are aware of relevant information.
