FINE ARTS ASSEMBLIES

Visual presentation is often a significant part of any fine arts/cultural program. At Holly Academy we find that having our students dress in a coordinated manner creates a pleasing visual effect. The desired effect may change with each performance. Therefore, students will be informed of the dress requirements for each performance prior to the performance date.

Please keep in mind that these are guidelines. Holly Academy administration has the final say regarding what is approved or unapproved.

COMPLIANCE POLICY

All adult employees of Holly Academy are responsible for monitoring dress code.

If a student comes to school, not dressed in accordance with the dress code as outlined above, the following procedures will be followed.

| First Violation: | A note is sent home by the teacher to the parent indicating the violation. |
| Second Violation: | The child's parent or emergency contact (s) will be called by the teacher regarding the violation and, if necessary, asked to bring in any missing dress code attire. |
