Once installed, bricks become property of Holly Academy. Engraved bricks will be randomly placed in the border and purchasers may not select a specific location for their bricks. Pavers will be engraved and placed over the summer. Purchases are tax deductible. For additional information, please contact contact Lisa Crawford—Crawfordl@hollyacademy.org. Online pay available: hollyacademy.revtrak.net.

The Holly Academy Education Foundation (HAEF) is an organization established to provide expanded educational opportunities for Holly Academy students by generating financial assets to achieve current and future academic goals. HAEF is coordinating the sale of engraved brick pavers, extending the border that is already along the sidewalk of our entrance! This is a wonderful opportunity for families and businesses to leave a permanent mark at Holly Academy.

Proceeds from the paver sales will be placed in an endowment which benefits all students at Holly Academy by funding expanded educational programs now and into the future!
