Dear Husky Families,

Today, Governor Whitmer announced that Michigan school buildings will be closed for the remainder of the 19-20 school year.

What does this mean for our Huskies?

As we previously communicated last Friday, electronic packets will be sent out via Skyward on Monday, April 6. The packets will also be uploaded to Google Classrooms in grades 2 - 8. For our families who requested paper packets, they have been mailed out today. Beginning April 13th, we will move to an online format as thoroughly as possible.

The Governor has directed individual school districts to decide the best course of action for continuity of education. Please bear with us as we determine the most appropriate methods of educating our Huskies.

We will communicate with you in the coming week regarding work expectation, grading, and content. During this crisis, it is critical that you are reading all correspondence you receive from Holly Academy to thoroughly understand how learning will take place over the coming months.

Extending health and happiness to you and yours,
Julie, Jen P, Ken, Jen B
