**May 15, 2020**

**Hello Husky Families,**

**It’s amazing to think that we are finishing our seventh week of distance learning. Oh, how our lives have changed! We are so impressed with how our families have adapted and embraced our temporary “new normal”. Keep calm and carry on!**

**On Wednesday, MAPSA announced that our very own Jen Melero was selected as Michigan’s Charter School Teacher of the Year! Many of you joined the Virtual Charter Day at the Capitol event and saw her being announced as the winner, live. We are SO PROUD of Jen and her commitment to Holly Academy students and families! It is an honor and a privilege to work beside Jen every day.**

**Many of our families have not yet completed our annual survey this year. Because of this, we are extending the deadline a week. If you could please take a few minutes to complete the survey by Friday, May 22, we would be most appreciative: <http://hollyacademy.org/survey>. Thank you!**

**Please remember to have your students check their Google Classroom for Friday assignments even though today and next Friday are half days.**

**Packet drop off will take place in the vestibule this coming Monday and Tuesday.**

**Times for drop off are as follows:**

**Monday: 9am - 12pm**

**Tuesday: 3pm - 6pm**

**Please return any completed packets to the appropriate box. As always, use social distancing protocol.**

**Expect to see progress notes from your child’s homeroom teacher on Friday, May 22nd. Progress notes will continue to be sent out every two weeks. All of the progress notes for your student will be in one document. Please be sure you are looking at the correct dates. Should you have questions concerning your student’s progress, please contact the teacher directly.**

Each year, the Holly Academy Education Foundation (HAEF) hosts a 5K for our school and community to come together and run or walk for the benefit of our Foundation. Monies raised by this fundraiser help HAEF grant staff members items outside of the scope of curriculum to enhance our student's educational experience.

This year looks a little different. While we cannot physically be together, we still want to do something that brings us together as a school family and community during these times. We are hosting a VIRTUAL 5K. So while you may run/walk alone, or with your family we can't wait to do this together while we are apart.
