

May 30, 2020

Hello Husky Families,

On Thursday we reached a milestone - 45 days of instruction via distance learning. Yes, nine weeks of instruction since school closed! Together we have learned so much and faced adversity together!

We have one full week of instruction ahead of us. Next Wednesday, Thursday, and Friday our 8th grade students will participate in a Virtual Washington D.C. Field Trip. We have planned many events and activities that mirror what our students would have experienced on our traditional trip. A special “thank you” to Mr. Reed, Mr. Summers, and Mrs. Price for all the hours spent on planning an outstanding event!

Mr. Spooner and Mrs. Thompson have also been busy planning our Virtual Field Day on June 9th. No “normal” Zoom sessions will occur on that day.

Please be expecting correspondence early next week regarding grade level “goodbye/awards” events that will take place between June 10th-15th.

Packet drop-off for packets for any packets not yet turned in is on Monday between 9am - 12pm and Tuesday between 3pm - 6pm.

All remaining packets completed next week may be dropped off in the GYM vestibule on June 11th (3:00pm-6:00pm) and 12th (9:00am-12:00pm) using social distancing. **IF YOU BORROWED A CHROMEBOOK FROM THE SCHOOL, PLEASE RETURN IT TO THE GYM VESTIBULE DURING THESE TIMES. THERE WILL BE DESIGNATED TABLES FOR THE CHROMEBOOKS.**

Administration and the Board of Directors have created a COVID-19 Task Force to work over the summer on HA’s plans for reopening in the fall. We will make plans based on guidelines from many agencies, including the CDC. The Task Force consists of Board members, administration, teachers, and parents. Together we will plan for the safety of staff and students upon our return to school

and the possible learning scenarios that could occur. Please be expecting to receive a survey the week of June 15th which will contain possible options for families. The purpose of the survey is for us to gain an idea of what parents might prefer if we must open with restricted conditions.

Extending health and happiness to you and yours,  
Julie, Jen P, Ken, and Jen B
